PATHFINDER VILLAGE FOUNDATION'S

CHOBANI[®]

TENNIS CLASSIC
 PROCEEDS BENEFIT THE
 PATHFINDER VILLAGE
 SCHOLARSHIP FUND

TUESDAY, SEPT. 5, 2017

SCRAMBLED ROUND ROBIN FORMAT

The Chobani Tennis Classic, now in its eighth year, was created as a sister event to our Otesaga Hotel Pro-Am golf tournament, both of which take place in historic Cooperstown, New York. The Tennis Classic is hosted by the Cooperstown Country Club, which overlooks beautiful Lake Otsego. This is an outstanding athletic and social event, as well as an excellent networking opportunity, with players from Cooperstown and across the country.

The Tennis Classic has raised more than \$100,000 to benefit the Pathfinder Village Scholarship Fund, which has helped many families realize the dream of having their loved ones live in our beautiful, open-access planned community.

We typically fill the entire player field of 32, and more than 250 people, including representatives from local and national businesses, attend the Pro-Am/Tennis Awards Banquet. We expect the same involvement this year, and encourage you to register now, as player openings and banquet reservations will fill quickly. ***Participating friends and businesses may sponsor players*** if they are unable to attend; write "Sponsored Entry" on the registration form. This is another great way to support Pathfinder!
