**FOR THOSE NEW TO SPLASH PATH:** **WELCOME** to our new friends who have never been to Pathfinder Village before!!! We are located 2 miles east of the hamlet of Edmeston on NYS Route 80 (look for our signs!) Parking is on the west side of the Village, and attendants will be there to help you safely park your vehicle.

**From there**, please proceed to the Pathfinder Gym (a large brick building) to go through registration and visit our **AWESOME RAFFLE AUCTION** hosted by Pathfinder Adult Day Services, which features many great prizes donated by local vendors and services.

**Once you are registered**, please visit the **20+ vendors** who will display great products and services in our Exhibit Area near the Pavilion. A complete list of vendors will be featured on the [Pathfinder Village website](#). Of course, we extend our great thanks to our Splash Path Business and Family Challenge Sponsors, who through their support, make this an affordable and fun event for everyone! There will be a food available at the Pavilion for you to enjoy as well!

The schedule above gives you the times that key events happen. After the welcome and as you begin your run-walk, you'll get covered in non-toxic colors by Pathfinder residents and volunteers. (If you would prefer not to be "splashed" or have a stroller, you may walk adjacent to the road). The course proceeds to Robinson Road, where there are water stations; there's a 1-mile turn-around for those who wish to complete a shorter run. Runners and walkers will turn-around, come back through our beautiful Village (follow the Splash Path arrows), and cross the finish line near the Pathfinder Pavilion, site of our after-run party, featuring music by DJ Chris Curtis. A clock will be running for those who would like to know their finish times.

**This event is for athletes of ALL abilities** and event proceeds will be used in support of our new Mobile Market in support of the Pathfinder Produce, our weekly fresh fruit and vegetable market that supports community wellness and inclusion. Our goal is to establish regular deliveries to serve area communities. This continues a tradition of other Splash Path funded projects that Pathfinder Village has supported -- the Community Walking & Fitness Trail, the Town Pool, the Pathfinder Hoop Houses, community fitness classes, and other activities.

**Splash Path is made possible through the generosity of our corporate and family donors, including key sponsors Brown & Brown, NYCM Insurance, & Team Cori Donohue.**

**WE LOOK FORWARD TO SEEING YOU ON SATURDAY, MAY 18!**
